

# Safety Recall Notice

## Black & Decker BV4000 Blower/Vac (TYPE 1)

Black & Decker (U.S.) Inc. is recalling to repair certain BV4000 (Type 1) Blower/Vac because a loose connection between the unit and an extension cord can create heat, posing a possible fire hazard.

This recall to repair program involves only BV4000 (TYPE 1) blower/vacs. BV4000 (TYPE 1) blower/vacs were sold between April 2004 and July 2005.

Please check your blower/vac as indicated below to see if it is affected.

If your Blower/Vac is included, **STOP USING IT IMMEDIATELY** and call Black & Decker toll free

# 1-866-853-2138

between 8:00 a.m. and 5:00 p.m., Eastern Time, Monday through Friday to arrange for a free repair. For more information log on to Black & Decker's web site at [www.BlackandDecker.com](http://www.BlackandDecker.com).
